

Membership Committee, 2010/11

The Membership Committee has focused on our basic functions this year, some of which are listed below.

Newcomers Table. Joan Connacher has been organizing volunteers for each Sunday during coffee hour who are available at the *Newcomers Table* to answer questions and provide literature to inquiring visitors. This is our formal way of reaching out to visitors who wish to learn more about our church.

Super Greeters. Tonia Chase has been organizing volunteers for each Sunday at the start and end of church service who pay special attention to new visitors, welcoming them and offering to introduce them to other folks in our congregation. While we hope everyone will notice and greet visitors, these volunteers are especially so oriented.

Pictorial Directory. Sherri Woolsey has accepted ideas from several of us for enhancing our *Members and Friends* church directory to make it more effective as a means for fostering fellowship, by including additional contact information (as each member may wish) and a black-and-white photo.
